

NEBOSH Health and Safety Management for Construction (UK)

This course covers the core health and safety issues involved in construction and aims to provide delegates with a comprehensive understanding of how to identify and manage workplace hazards. Many delegates undertake this course as a platform to build upon their skills and knowledge and advance in a career in construction health and safety.

This course is ideal for:

- Construction site managers
- Contracts managers
- Site workers with health and safety responsibilities
- Construction health and safety advisors

It also makes excellent continued professional development (CPD) for health and safety professionals working in other industries or looking to move into construction.

This course can help:

- Minimise workplace injuries and illness
- Ensure you comply with Construction (Design and Management) Regulations 2015 (CDM)
- Understand the responsibilities of the six roles in the CDM regulations
- Boost employee wellbeing
- Demonstrate your commitment to health and safety, which can help win business
- Strengthen your health and safety culture

Instructions

There are no entry requirements for this qualification, however it is important that learners have a suitable standard of English language in order to understand and articulate the concepts contained in the syllabus.

NEBOSH recommends that learners undertaking this qualification should reach a minimum standard of English equivalent to an International English Language Testing System (IELTS) score of 6.0 or higher in

IELTS tests.

Delegates must bring Photo ID – Any photo ID.

Please advise of any special needs i.e. dyslexia in advance of the course.

Confirmation of registration for digital assessments

Once you have been registered for your digital assessment, NEBOSH will send you a Confirmation of Registration email that includes your learner number, and important information relating to your assessment. Please ensure that you check your name is spelt correctly and report this to your learning partner and NEBOSH if any changes are required. If you have not received this email please remember to check your spam folders.

Login details

Following receipt of your Confirmation of Registration email for your digital assessment, NEBOSH will send you a further email containing your Username and Password for the NEBOSH online examination platform. If you have not received this email please remember to check your spam folders.

The **CN1** assessment is an open book examination, which will be based on a realistic scenario, that will test both what you know and what you can do. You will be asked to carry out a series of tasks using evidence from the scenario and the underpinning knowledge gained through your studies and revision. You will have 48 hours to download, complete and submit your assessment.
